

# Twentieth Annual MMEA Elementary Music Festival "A Celebration of Young Musicians"

The Minnesota Music Educators Association will sponsor the nineteenth annual "Celebration of Young Musicians" during the months of March and April, 2010. Separate festivals will be held at several sites throughout the state. Each festival will feature a guest clinician/ director and two outstanding music teachers from the area who will work with students and their teachers throughout the day. The culminating event at each site will be a concert led by the guest clinician.
