

# **Eighteenth Annual MMEA Junior High/Middle School Festivals**

MMEA will sponsor the eighteenth annual series of Junior High/Middle School Festivals during March, April, and May of 2012.

Each festival site will host several performing groups from the surrounding areas. Each participating group will be given 20-30 minutes to perform musical selections of their choice. Guest clinicians will evaluate each performance and work with the students and their teachers throughout the day. These festivals are intended to provide a memorable and noncompetitive musical experience and an opportunity to learn, share, and observe.
